

# **TPE – Inaugural Listing on the Private Securities Market**

**London – Wednesday 25<sup>th</sup> March 2026**

TPE is pleased to announce the successful completion of the inaugural PISCES transaction on the London Stock Exchange's Private Securities Market, delivered through a TPEIC. The Private Securities Market and TPEIC structures deliver asset-level liquidity within a scalable and repeatable framework. It represents a meaningful step towards a more consistent and scalable model for private market liquidity. We are grateful for the close collaboration across all parties.
